Effective May 29:

The Commonwealth's mask order is rescinded. The Department of Public Health has issued a new mask advisory consistent with the Centers for Disease Control and Prevention's updated guidance. Masks are still mandatory for all individuals on public and private transportation systems (including rideshares, livery, taxi, ferries, MBTA, Commuter Rail and transportation stations), in healthcare facilities and in other settings hosting vulnerable populations, such as congregate care settings.

COVID-19 Mask Requirements | Mass.gov

In Massachusetts, if you are fully vaccinated, you can resume activities that you did prior to the pandemic. Fully vaccinated people can resume activities without wearing a mask or physically distancing, except where required by federal, state, local, tribal, or territorial laws, rules, and regulations, including local business and workplace guidance. All travelers are encouraged to consult and follow the CDC's guidelines and requirements for travel.

The State of Emergency ended June 15.
